

ACC MODIFICATION: FENCING SPECIFICATIONS SHEET
Hillbrooke Homeowners Association

General Guidelines:

- Fencing must be contained on your property, extending from the rear corners of your home when possible.
- Fence materials must be wood
- Fence height must be specified - either 4' or 6'
- "Good side" of the fence must face outward (posts and supports *inside*)
- Gates must be installed at the front of your property (no side or rear entry)
